

The NYPD is not noted  
for a bleeding heart  
reaction to anything...

...**BUT** they provide retirement for every single police horse and  
vouch that **NO** police horse will meet a tragic ending.  
There is an example here for those who choose to follow it...  
and it's called responsibility.

Reach your congressman now and show your support for HR 857. If you don't know how to do this, advise Blue Horse Charities of your zip code and we will supply you with his or her contact information.
