Dear Ms. Caramante:

This is in response to your November 17, 2005, Freedom of Information Act (FOIA) request for information, dated from January 1, 2005, to November 17, 2005, pertaining to the Beltex Corporation's horse slaughter plant. Specifically, you requested violations of the "Commercial Transport of Equines to Slaughter Act" and any subsequent penalties assessed. Your request was received in this office on November 17, 2005, and assigned case number FOIA 06-108. We apologize for the delay of this response.

Enclosed on a CD-ROM are 906 pages of responsive records. However, information has been withheld under FOIA Exemption 6, 5 U.S.C. § 552(b)(6). This exemption protects information from disclosure when its release would cause a clearly unwarranted invasion of personal privacy. This same information has also been withheld under FOIA Exemption 7(C), 5 U.S.C. § 552(b)(7)(C). This exemption protects from disclosure records or information compiled for law enforcement purposes when its release could reasonably be expected to constitute an unwarranted invasion of personal privacy.

We are withholding nine pages in their entirety under FOIA Exemptions 6 and 7C, 5 U.S.C. § 552(b)(6), (b)(7)(c). These pages include one hand-written affidavit and an eight-page personal summary report.

You may appeal our denial determination. If you choose to appeal, your appeal must be in writing and must be received at the following address within 45 days of the date of this letter.

Administrator  
Animal and Plant Health Inspection Service  
Ag Box 3401  
Washington, D.C. 20250-3401

Please refer to FOIA 06-108 in your appeal letter and add the words "FOIA Appeal" to the front of the envelope. To assist the Administrator in reviewing your appeal, provide specific reasons why you believe modification of the determination is warranted.

Also contained on the CD-ROM is rp505enu.exe, which is a free copy of Adobe® Acrobat® Reader™ needed to view the responsive records. By opening rp505enu.exe and following the on-screen instructions, you will install Adobe Reader. After the installation, Adobe Reader should render the PDF files correctly.

Because the cost to process your request is less than \$25.00, the fee has been waived. If you have any questions, please contact Ms. Glendora Gilchrist of my staff at (301) 734-0601.

Sincerely,

Submitted for your attention is IES Case No. TX05213-VS (No violation case report), involving and Beltex Corporation. There was insufficient evidence that a violation occurred.

On 07/18/05, a horse owned by [redacted] and shipped by Beltex Corporation arrived for slaughter at Beltex Corporation. The horse was shipped from Frontier Game Company (aka Beltex Feedlot) in Whiteface, Texas. [redacted] stated that the injury appeared to have just happened. [redacted] for Frontier Game Company stated that the horse was able to bear weight on all four legs prior to being shipped to slaughter. [redacted] stated that the horse was sound when he shipped it to the Beltex Feedlot. Title 9 CFR § 88.4(a)(5)(vi) states that the horse must be able to bear weight on all four legs prior to being shipped to slaughter, not at the time of arrival.

Another case report is forthcoming involving [redacted] TX05109-VS) that does show violations of 9 CFR 88, Commercial Transportation of Equines for Slaughter.

I was unable to include the original affidavit in the case report; the document was stolen due to a vehicle break-in. I included the reader's copy of the affidavit.

[redacted] has no prior history in the IES Tracking System. Beltex Corporation has received one stipulation involving the transport of slaughter horses.

I make the following statement to \_\_\_\_\_ who I know is an \_\_\_\_\_ for

On 07/18/05, while performing my official duties at Beltex Corporation in Fort Worth, I  
inspected a shipment of horses shipped by Beltex Corporation, the horses were transported for  
slaughter. The truck that shipped the horses was identified as being a Beltex Corporation truck  
(the name was shown on the truck door), the \_\_\_\_\_ There were 32 horses  
on the shipment, 26 were owned by \_\_\_\_\_ the remaining 6 horses were owned by Beltex  
Corporation. The 26 horses owned by \_\_\_\_\_ were identified with \_\_\_\_\_ marked in chalk  
on their sides. The VS Form 10-13 that accompanied the horses showed Beltex Feedlot as the  
owner/shipper. I did not see a VS Form 10-13 for the horses owned by \_\_\_\_\_

Upon arrival at the plant one of the horses owned by \_\_\_\_\_ could not bear weight  
on all four legs. I noticed the horse as it was in the pen just after being unloaded, it was  
quivering as if the accident had just happened. From what I remember \_\_\_\_\_

\_\_\_\_\_ of Beltex Corporation) was there and saw the horse. I questioned \_\_\_\_\_ about  
the horse, and I believe he phoned \_\_\_\_\_ at Beltex Feedlot in Morton,

I, (name of affiant), \_\_\_\_\_, being duly sworn on oath make the following statement:

I make this statement freely and without the promise of reward to \_\_\_\_\_ who has identified himself to me as an Investigator employed by the United States Department of Agriculture.

I ship about 35 to 40 horses a month to Beltex Feedlot.

According to what I can recall horse with backtag 86NM9853 was sound when I shipped her. I don't think anything was wrong with the horse. The driver never told me anything about any horse being injured. I purchase the horses and send them to Beltex Feedlot. Beltex feeds them out and they slaughter them. When they are delivered to the feedlot they are Beltex's horses. I do not pay Beltex to ship the horses. I do not feed out horses at Beltex. From what I understood I do not fill out the VS Form 10-13 because they are going to the feedlot I don't have to do this.
